Learning Expo & Art Exhibition

On **Tuesday, Wednesday & Thursday next week (4/5/6 July)** the library & small hall will be transformed. Learning from the term will be on display in the library and art work will be on display in the small hall. A big thank you to Sandy Taylor from Barfoot & Thompson, Blockhouse Bay, for supporting our Expo again this year.

Grandparents morning

Next week, **Tuesday 4 July**, we are inviting grandparents in to school again. After all the amazing feedback following last year's grandparent's morning we are looking forward to

welcoming, and acknowledging, these wonderful members of the Chaucer Family. We have organised this on the same day as the start of our Learning Expo & Art Exhibition, and all grandparents will be invited to view these as special VIP guests.

Life Education

We are delighted to welcome back the Life Education mobile classroom. Each class will be visiting this classroom next week and learning more about topics including healthy eating and healthy bodies.

Reports

These will be coming home next week with your child and will show learning progress and achievement against National Standards. They will also detail next steps and how you can help at home. As always we welcome feedback so that we can continue to ensure that we are providing useful information about your child's learning.

Life is going to give you just what you put into it. Put your whole heart into everything you do.
