

Chaucer School

Enrolment Scheme

Effective from Term 1 2022

The guidelines for development and operation of enrolment schemes are issued under Schedule 20 section 9 of the Education and Training Act 2020 (formerly section 11G (3) of the Education Act 1989) for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Home Zone

All students who live within the home zone described below and/or shown on the attached map shall be entitled to enrol at the school.

Starting at the corner of Clark Street and Portage Road, travel south down Portage Road (odd addresses 55-187 and even addresses 44-128 only included; Neville Street, Hill Crescent, Links Road excluded) until Bolton Road. Travel east along Bolton Road until Blockhouse Bay Road, including only odd numbered addresses. The southern boundary continues north along Blockhouse Bay Road (odd addresses 353-455 and even addresses 360-468 only included) until Terry Street. The boundary then heads east along Terry Street (even addresses 88 and below only included) until Whitney Street. Then travel north along Whitney Street, including addresses on both sides of the street (ending at 141 odd address and 168 even address) until Dundale Avenue (excluded). The boundary then travels west to Blockhouse Bay Road, including all addresses on Maui Pomare Street, Geneva Place, Cleland Crescent and Maclaurin Street. The boundary then travels along Miranda Reserve until Wolverton Street, excluding Miranda Street but including addresses south of the reserve. The boundary then travels west from 75A Wolverton Street down Wolverton Street until the boundary's origin at Clark Street, including addresses on both sides of Wolverton Street.

All residential addresses on included sides of boundary roads and all no exit roads off included sides of boundary roads are included in the zone unless otherwise stated.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- First Priority** will be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary for Education. *This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary*
- Second Priority** will be given to applicants who are siblings of current students.
- Third Priority** will be given to applicants who are siblings of former students.
- Fourth Priority** will be given to any applicant who is a child of a former student of the school.
- Fifth Priority** will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- Sixth Priority** will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth, or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued the Secretary under Schedule 20 section 9 of the Education and Training Act 2020 (formerly section 11G (3) of the Education Act 1989). Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.
